Qlik Gold Client for SCM 4.0 Install Guide

This topic describes how to download and install Qlik Gold Client for SCM. Please note: It should only be applied in conjunction with your Qlik Gold Client ERP installation.

First, create a Qlik ID for use on the download site and support portal. Go to https://community.qlik.com/. On the top right, click **Sign In**. If you already have a Qlik ID, simply log in. If you do not have a Qlik ID for this site, scroll to the bottom and click **Sign Up**. Enter your company email address and click **Get Started**. Complete the name and location information and click **Next**. Enter your job details and click **Next**. Retrieve the six-digit code sent to the provided email and enter into field **Verification Code**. Create a secure password and check the box to accept terms and conditions. Click **Start Using Qlik**.

Once registered and logged in, go to the Qlik Download Site found at https://community.qlik.com/t5/Downloads/tkb-p/Downloads. The path is on the Community is Support -> Product News -> Downloads. Select the option for Data Integration and use the Product filter to select **Qlik Gold Client for SCM**. Download the following files:

Qlik Gold Client SCM Install.zip
Qlik Gold Client ERP SCM Patch 8.7.2.zip
Qlik Gold Client SCM 4.0 Release Notes.pdf

Please import the following client independent transport into your SCM landscape:

SCPK900018 (Qlik Gold Client SCM Install.zip)

The following client independent transport is a patch needed only in ECC systems where Qlik Gold Client for ERP is already installed. Please import into your ECC landscape only:

GCSK900076 (Qlik Gold Client ERP SCM Patch 8.7.2.zip)

Once the transport is successfully applied in your SCM systems, execute transaction ZGOLDSCM and enter the provided license key with the Production system ID. This needs to be entered once in each system where you want to use Gold Client.

Please see the Qlik Gold Client for SCM 4.0 Release Notes (https://community.qlik.com/t5/Release-Notes/Qlik-Gold-Client-for-SCM-4-0/ta-p/1886272) for more information on this release. The Implementation Guide and Security Guide will be discussed on a future technical call. To visit the support site directly, go to https://community.qlik.com/t5/Support/ct-p/qlikSupport.
