

3193015 - ALV grid - data table is not displayed correctly

Component: BC-SRV-ALV (SAP List Viewer), Version: 4, Released On: 11.01.2023

Symptom

The following symptoms are known:

1. The data table is not displayed empty. The data of a previously displayed table remains visible.
2. Checkboxes are displayed in columns that are not defined as checkboxes.
3. Internal values of the type '0000000001' and so on are displayed in columns.
4. Cells are editable unexpectedly.
5. Cells are unexpectedly displayed without an F4 icon.

Other Terms

CL_GUI_ALV_GRID, SET_TABLE_FOR_FIRST_DISPLAY

Reason and Prerequisites

The export to Crystal is not active in the system.

The same grid instance is called again with different structures with the method SET_TABLE_FOR_FIRST_DISPLAY.

Solution

Use the Note Assistant to implement the correction or import the relevant support package.
