

The tool is working for some jobs but not for others, it might come from the syntax used for some specific case but can't figure it out

Thank you for your help , hope you can do something with it

How is possible to upload file thru the forum ?

here is the content of the properties file TxtEnHash_0.1.properties :

```
<?xml version="1.0" encoding="UTF-8"?>
<xmi:XML xmi:version="2.0" xmlns:xmi="http://www.omg.org/XMI" xmlns:TalendProperties="http://www.talend.org/properties">
